All X-TRECO are gone! We originally ordered 80 extra and now we are needing more...please send us another 200, I anticipate we should have no problem selling these. Thanks again!

I received X-TRECO from a friend who purchased them from a school fundraiser. At first when I read the information about X-TRECO, I will admit I was a bit skeptical. After the first use I was sold! I can officially say I LOVE X-TRECO, it's fantastic!

We are very pleased with X-TRECO. I thank you for your efficiency in replying to my emails and how quickly we received our order. This will continue to be a very profitable annual fundraiser for our school!
Katie S. | Woodstock, NB

Everyone who comes into contact with X-TRECO just loves it and as a fundraiser they are wonderful. Can I order another 200 X-TRECO?
Thank you.
Joan G. | Tofino, BC

My son's school is selling X-TRECO as a fundraiser and they are amazing! All you have to do is rinse X-TRECO in warm water, wring it out and wipe any surface (especially mirrors/glass/windows and stainless steel appliances). The funds raised are going towards a playground for the school. X-TRECO has already assisted us in raising over \$3000!
